The minutes of the Full GB meeting had been circulated prior,

RESOLVED: That the minutes of the meeting held on 18 November 2014 be approved (Unanimous)

Matters arising:

(a) Committee meetings (minute 2472 refers)

The Quality of Education committee meeting had been held on 27 November 2014 but the Resources committee meeting to be held on 2 December had not been held as not enough Governors had been available to attend. College was now trialling only holding 3 Full GB meetings and 1 Health & Safety committee meeting per term.

Q: Were agendas for the year set?

A: Not yet, but given this was the first meeting under the new format, feedback was welcomed about the future style of meetings.

The Principal agreed to provide a draft schedule for future meetings for governors to consider at the next meeting.

2487. APPROVAL OF COMMITTEE MEETING MINUTES HELD AND MATTERS ARISING

Minutes of the last committee meetings had been circulated prior.

(a) Quality of Education meeting held on 27 November 2014

Mr Wadsworth reported that C&K had done a presentation on Year 11 destinations which showed the college's students had performed exceptionally well in terms of progression. There had also been a review of the SEF, SDP and student health checks. An update was given with regards to the cost of the Careers service that the LA was seeking to charge in future (£44k up from £29k).

College had an obligation to offer independent careers advice and guidance. Governors debated various options and associated costs, including bringing the service 'in house', where students could be offered access to on line careers advice.

The Principal advised that a decision as to the way forward was needed due to timescales of contract end / renew.

Q: Could the role be possibly job shared?

A: Yes

RESOLVED: That the MAT advertise for a full time Careers Advisor position (Unanimous)

RESOLVED: That the minutes of the Quality of Education committee meeting were an accurate reflection of the meeting.

The Chair thanked Mr Wadsworth for his update.

(b) Health & Safety

No committee meeting had been held since the last Full GB. Mr South gave a verbal update in relation to the Business Continuity Plan. This had been reviewed and updated. A peer assessment had been undertaken and the proposed plan had been passed as now fit for purpose. A copy of the plan had been circulated prior to the meeting. It was proposed that the Governors undertook a simulated table top exercise of a disaster situation to ensure roles and responsibilities were understood.

Q: Would terminology be adapted from the generic terms used?

A: It would be adapted to College's terms.

Mr South reported that Millbridge J, I & N School had asked for copy of the Business Continuity Plan for them to adapt.

The Chair thanked Mr South for his update

Mr South and Mr Wadsworth left the meeting. Mrs Gillespie joined the meeting.

(c) Resources & Communications Committee meeting – 7 October 2014

The Chair reminded Governors that the Full GB had approved the committee meeting minutes at the last Full GB meeting held.

Mrs Poppleton was concerned about supplier sponsorship of events. (Minute 80(d) refers). The Principal confirmed that College did not seek sponsorship as part of any tendering process or award of business. It was merely a route of possible additional income to College as budgets were being cut. Businesses sponsored Academic Achievement Awards at the Annual Presentation evenings for students.

It was agreed that College needed to be transparent whilst commercially aware.

2488. REPORT AND APPROVAL OF THE MINUTES OF THE AGM OF SHELLEY ACADEMY TRUST TRUSTEES ON 8 DECEMBER 2014.

The minutes had been circulated prior. No questions were asked. As there were not enough Trustees present, approval of the minutes was deferred to the next Full GB meeting.
