

16-19 Bursary Fund

Application for financial support

2017-2018

Principle Objective of 16-19 Bursary Funding

16-19 Bursary Funds are available to help support those young people who face the greatest barriers to continue in education and to ensure every young person participates in and benefits from a place in 16-19 education and training.

Who is eligible?

To be eligible to apply, you must:

- Be over 16, but under 19 years of age on 31st August 2017 (ie the start of the 2017-2018 academic year).
- Students aged 19 or over are only eligible to receive a discretionary bursary if they are continuing a study programme they began aged 16 to 18, or have an Education, Health and Care Plan.
- Have been accepted onto and be studying a programme of learning funded by the Education Funding Agency (EFA). *All Shelley students meet these criteria.*

Who is eligible?

Students must fall into one of the following 3 categories:

Category A – students eligible for the £1,200 Bursary (pro-rata for courses lasting <30 weeks)

- Young people looked after or care leavers.
- Young people in receipt of Universal Credit (or Income Support).
- Disabled young people (in receipt of both Employment Support Allowance and Disability Living Allowance or Personal Independence Payment).

Category B – Discretionary

- Proven household income of **£21,000** gross or less per annum (subject to funds available and not guaranteed).

Category C - Discretionary

- An emergency fund for young people facing financial hardship (subject to funds available and not guaranteed).

What can you use 16-19 Bursary Funds for?

Funds are available to help students who face financial hardship with learning costs, such as:

- A weekly cash or BACS payment (Category A students only).
- Emergency accommodation.
- School catering credits (to cover cost of meals while learning).
- Travel to and from college.
- Essential course-related equipment, materials and field trips.
- Interviews, open days and related fees for apprenticeships, university and job applications.
- Costs for exam re-sits may be available.

Any funding awarded is dependent on attendance and/or standards of behaviour as outlined in the Sixth Form Student/Parent Agreement.

How much do you get?

This will vary in accordance with a needs based analysis. However because of the limited funding we may not be able to meet all costs but we may make a contribution to your learning. It is therefore the responsibility of the student/parent/carer to ensure they are in a position to meet any shortfall.

How is it paid?

In the main, the funding will be used to pay directly for the items listed above. However, in some circumstances payments may be made direct to students.

How to apply

1. Complete the attached form and return it to the Director of Sixth Form, along with photocopies of all documents required to support your application.
2. Application cannot be considered without the information requested, and will be returned to you. **The deadline for INITIAL applications is Friday 22nd September 2017.** Requests for funding may exceed funds available, so it is in your interest to make the earliest possible application. Application can also be made throughout the year as some funding is retained for students who might fall upon hardship later in the year.
3. Staff in the Finance Office will process the applications following the eligibility policy and procedures.
4. If your application is successful, you will meet with the Sixth Form Manager to discuss specific needs and a letter will be sent home confirming the results of this meeting. *(Students must be enrolled at the college before any payments can commence).*
