Dave Wadsworth - Principal

Dear Parent/Carer,

You may be aware that the Department for Education (DfE) 2018 performance tables have been released and we are very pleased to confirm that the hard work of our students and staff and the continued support of parents have resulted in Shelley being the **joint highest performing Sixth Form provider in Kirklees**.

The really pleasing aspect is that unlike other local colleges, the progress made by our Sixth Form students has improved for the third consecutive year. Our Value Added score for 2018 is +0.19; this means our students achieve almost a fifth of a grade higher than students at other colleges, a figure we are extremely proud of. Alongside this 93% of our students are in employment, education or training after finishing at Shelley which reflects the proactive support we have for students in applying for their next steps and supporting them through the application and interview process. The national average for this statistic is 89% which puts us well above this figure and also places us as the joint number 1 provider in the local area for this measure.

If you would like to access the DfE performance tables, please follow the link below:

We offer a wide range of A Level and Vocational courses to cater for the needs of a wide range of students.

If you have any queries or would like to put in an application, please do not hesitate to get in touch.

Kind regards,

Miss Hunt and Miss Dukeson
Progress Leader and Student Leader
