

## Leadership Meeting

14<sup>th</sup> February 2017

A list of revision sessions was sent out to parents and this will be updated every half term for what sessions are running at that time.

6<sup>th</sup> Form is open in the holidays 8:30am while 1pm so that students can come in and use the building to revise and get help. Mondays and Tuesdays are run by Mr Wadsworth and Wednesdays and Thursdays are run by Miss Dukeson.

Feedback was given to Mrs Stapleton on the new catering system. The feedback was:

- Lots of the choice is gone by the time year nines get into the dining hall.
- What is included in the meal deal is unclear and often changes.
- Some prices are not very clear.
- Some things are too expensive.

Feedback from activities day: students happy with the options that are available and glad that their recommendations had for the main part been put down. Some forms were not informed by their tutor of the opportunity to give feedback – GW will mention this to those tutors concerned.

The next meeting is a Q&A with the SLT and will also look at the next Charity Day which is Comic Relief
