**Y11 OCR Cambridge National Level 1/2 Enterprise and Marketing**

There are no resources for this course so the students have the ones I have specifically written for them. We have already also completed all external exams so are just working on remaining coursework.

**Computer Science**

**Paper Resources**

The department has provided for all students a GCSE revision book and a 114 page book of past exam questions. Please make sure that both of these are used to revise from and test understanding.

**Electronic Resources**

The department websites are at the following two links:

<https://tinyurl.com/SCCompUnit1>

<https://tinyurl.com/SCCompUnit2>

You will need to use your son/daughter's VLE log in to get to these pages. This is their normal school log in.

The Comp Unit 1 Link has at the bottom all the past exam papers, and mark schemes. A set of revision books is also included here. Both links have all the worksheets, end of topic tests and lesson notes from the last two years. These can be downloaded as PDF's and used on phones or tablets as well as desk top computers.

**Revision Sessions**

These are run every Thursday and Friday 1500 to 1700. Any questions or requests for work please contact me on [Philip.Cowling@shelleycollege.org](mailto:Philip.Cowling@shelleycollege.org)

## Dance

Revision guides will be given for free to all Dance students who attend the revision workshop during February half-term.

In March, a written exam paper app for phones, laptops and tablets will become available; students will be notified when this becomes live.

## Drama

The current revision guide prepared by the exam board does not cover the six set materials in as much depth as is required; it may be useful for brief overviews if students wish to have it.

Mrs Wirth will be distributing a free revision guide to all students which she has created herself to ensure the detailed information required is within the resources students receive.

Unfortunately, at present the exam board has not released revision materials for this course as it is newly delivered this academic year. As a school however, Ms Le Sage will be organising revision sessions in the coming weeks which students will be made aware of in lesson time. We believe students should prioritise attending these sessions.

The following are other websites which can be helpful (please note some of these may not cover all aspects of the new specification as it is the first time through this year)
