

Thursday 19th March 2020

Dear students/parents,

We know that following the recent decision made by government around school closures, lots of our Year 11 and Year 13 students and parents will be confused, disappointed, upset and frustrated (and be feeling lots of other things).

We are immensely proud of the hard work and effort that our Year 11 students have put in over the past three school years, and that our Year 13 students have shown in the past two/five years.

We don't yet know what the coming months will look like with regard to exam outcomes or if these will be planned for a later date, but we will ensure that every step of the way we do our best to keep you informed and allay any concerns.

We will be liaising with local colleges and universities regarding their plans for enrolling students in September, and will keep all of you who have applied to Shelley Sixth Form informed of our plans in the near future.

There is very little we can say or do at the moment, but want you to know that we are here if you need us, so please feel free to get in touch to access any support you may need.

Thank you for your efforts, support and engagement during your time with us up to now, it is hugely appreciated and you should take great pride in your achievements irrespective of the decision government takes with summer exams.

Your sincerely,

Mr D Wadsworth
